

OFF TO THE SUPERMARKET

Today's Seriously Fun Adventure...

Today we are going to the supermarket with Skilful Sally, to help her gather all the things on her shopping list.

First of all, Sally can see that somebody has dropped all their shopping in the aisle, so we need to avoid tripping over everything, so let's give them a helping hand and clear everything up.

On the next activity we need to help the supermarket staff put all the food back onto the shelves, now make sure the correct food, goes onto the correct shelf. If you're unsure just ask one of the members of staff.

Finally, go and have a good explore around the supermarket and make sure you collect everything on Sally's list.
