

IN THE JUNGLE

Today's Seriously Fun Adventure...

Today children we are going to the jungle with our tour guide Fast Freddie. Listen carefully to his instructions.

In the jungle we will see lots of different unusual plants, trees and animals – tigers, snakes, elephants, gazelles and parrots.

See if you can spot all these animals as we move into the depths of the jungle.

Look out for the Grumpy Grizzly bear! He's trying to capture some of the animals in the jungle and we need to stop him.
