

OFF TO THE RACETRACK

Today's Seriously Fun Adventure...

Bella is taking us to the race track today!

On your way to the race track don't forget to keep an eye out when you come to the traffic lights, either; stop, get ready or go! You don't want to hold the rest of the traffic up, as they make their way to the racetrack.

Bella has a treat prepared for you at the racetrack today. She would like you to help her perform a dance at the opening ceremony of the showpiece race of the year!

There will also be lots of time for you to watch the cars whizz around the track. It will also be very noisy! So you may need your ear defenders!
