

**IT'S TIME FOR SCHOOL**

### **Today's Seriously Fun Adventure...**

Today we are off to school for a day of fun with our friend Fast Freddie. This is the final adventure with Freddie and he wants us to show him everything we have learned on our adventures with him. But it looks like we are going to have some trouble with the Grumpy Grizzly again...

The Grumpy Grizzly has forgotten his lunch, and is trying to steal your lunch! We will need to dodge him, so he can't freeze us and eat our lunch. Can you avoid being caught by him?

If we can get away from the Grumpy Grizzly, we will then hide from him – let's get some mats and make a space where the Grumpy Grizzly can't get to us. When you are looking for the hiding place, be careful to dodge the other children so you don't bump into each other, and remember the skills Freddie has taught us about how to move quickly around the space.

But at home time, the Grumpy Grizzly strikes again! He is throwing dodge ball, which we must dodge so he doesn't get us with the ball. Be aware of where the Grumpy Grizzly and his ball are, and try to avoid being caught. The last children left who are not caught by the dodge ball will win a point for their teams. Who can avoid being caught out by the Grumpy Grizzly?
