

OFF TO THE SUPERMARKET

Today's Seriously Fun Adventure...

Today we are back at the supermarket with Skilful Sally. This time, we want to get some lunch. But someone has dropped their shopping all over the floor by the door of the supermarket. Can we help Sally to clear it all away, using different parts of our body?

The supermarket assistant will show us different equipment at the back of the supermarket, which we can use to help clear away the mess. Remember to show that we have control of the equipment and are using the skills Sally taught us last week. Can you find equipment that you control with your hands? What about your feet?

Uh oh, the Grumpy Grizzly is back! He is trying to freeze the customers in the shop. Let's use our crazy control to keep the ball safe and set people free. Can we set everyone free?
