

ON THE WAY TO THE ZOO

Today's Seriously Fun Adventure...

Today we are off to the zoo with Sport Xplorer Skilful Sally. She wants us to help her on her mission to become a better explorer, by listening to the zoo keeper's instructions.

First of all, the zoo needs to be cleaned up as there is a lot of mess in some of the animal enclosures. Let's help Sally to clear away all the mess to begin with.

Once the zoo has been cleaned, we can get on with the rest of our activities with the animals.

First we will meet the Raging Rhinos, who are on the loose trying to collect the hoops with their horn. Your job is to help them get the hoops onto their horns!

Next we will see the Grumpy Grizzly bear, who is in his enclosure. But his enclosure needs to be tidied up. Skilful Sally is trying to tidy up the enclosure, but the Grizzly is still making a mess! Can you help Sally?

And finally we will see the sea lions swimming and playing in their pool. The sea lions are playful animals and are balancing balls on their nose to throw at children walking past. Let's join in the fun! We can play a game to see which group of us can knock over all our skittles first, using the balls.

So let's go and have some fun at the zoo with the animals!
