

ON THE WAY TO THE ZOO

Today's Seriously Fun Adventure...

Today we are going to help Sally continue her adventure at the zoo. Do you remember all of the things we did last lesson with Sally at the zoo?

So first of all, let's feed the animals. But be careful to feed the right food to the right animals!

Then we will visit the lemur house, which keep looking out of the ground to see what we are doing. We need to keep them underground, so if you can get close enough to them, shoot your ball at them so they go back down.

Next we will go to the monkey enclosure. Because the monkeys have long arms perfect for catching, they are great at being goalkeepers! So let's have a game of football with them and see if we can score goals past their long arms.

Once we have practised shooting at one goal, the monkeys want to mix things up and play with the different children – so next we will have a go at shooting at all the different goals. How many goals can we score in 2 minutes? Can you also practise being goalkeeper?
