

**IT'S TIME FOR SCHOOL**

### **Today's Seriously Fun Adventure...**

Today we are off to school for a day of fun with our friend Handy Harry.

At school, we will play a game of “teacher says” – listen out for the teacher’s instructions and do as the teacher says, but only change your action if they say “teacher says”. If they don’t say “teacher says”, and we change our action, we will have a forfeit! We will practise things like hitting the ball and aiming carefully.

But once again, our enemy the Grumpy Grizzly bear is back – he has broken into school and is causing trouble, trying to disrupt our classes. Can we strike a ball at the Grumpy Grizzly to scare him away? We will need to hit him 5 times to get rid of him.

Then we are going to be teacher’s helpers with Harry, and help him take the registers to each classroom in the school. We will use the bats and balls to deliver them to each classroom. Make sure you get them to the right class!
