

OFF TO THE RACETRACK

Today's Seriously Fun Adventure...

Today we are off to the racetrack with our friend, Sport Xplorer Handy Harry. The race track is a very busy and exciting place, with lots of cars whizzing around the track.

As we know, Harry likes to bounce balls and catch them, and he wants to do this whilst moving around the racetrack! Can we move quickly around the track whilst keeping control of the balls?

But once again the Grumpy Grizzly is back! He is trying to cause trouble again, and he has put obstacles in our way on the track. Harry wants us to bounce our balls around the obstacles, so look out for the obstacles and make sure you move safely around the track, always keeping in control of your ball.

Then it will be race time! We will race each other in a relay race, passing the ball to our partner. Be as quick as you can but don't drop the ball – who will be the winner of the relay race?
