

SAILING WITH THE PIRATES

Today's Seriously Fun Adventure...

Today we are back on the pirate ship with Bella. Do you remember the dance we learned last week? This week, we will add to the dance using our own ideas. Try to use clear movements and be aware of the space as we move around the room.

On board the pirate ship, Bella sees an island up ahead – look, there might be treasure on the island! But our ship is too big to get close to the island. But Bella has an idea. Just like pirates, we will jump off the main ship into little rowing boats, and quietly row across to the island to explore, and try and find the treasure. We need to row with our arms and move the rowing boats in a straight line – don't go in the wrong direction!

Next week, we will explore the island and try to steal the treasure.
