

Fast Freddie has made such a mess of the PE equipment! Spread the different coloured hoops around and put a pile of equipment in the middle. Can you sort it according to colour as quickly as possible?

**RESOURCES:**

4-8 coloured hoops

A mix of coloured equipment: bean bags, quoits, dance scarves, balls, spots, cones and bats

**TEACHING POINTS:**

Encourage the children to keep their heads up and be considering where to run to next

**MAKING IT HARDER:**

- Can they sort the equipment as teams?
- Could they make pass the equipment safely to make the sorting faster?

**MAKING IT EASIER:**

- Encourage the children to look for just one colour first
- As the children move around, remind them to look at the other players!

**LINKS TO THE EARLY LEARNING GOALS:**

PD, M&H - Children show good control and coordination in large and small movements. They move confidently in a range of ways, safely negotiating space.

M, SSM – Children explore characteristics of every day objects
